CONFLICT OF INTEREST WAIVER

You have asked our firm to represent you:
_____ and _____ in connection
with a divorce action (joint petition).

Although the interests of _____ and _____ in this matter are generally consistent, it is recognized and understood that differences may exist or become evident during the course of our representation. Notwithstanding these possibilities, _____ and _____ have determined that it is in their individual and mutual interests to have a single law firm represent them jointly in connection with this joint petition for divorce.

Accordingly, this confirms agreement of _____ and _____ that LAW PRACTICE, LTD., may represent them jointly in connection with the above-described matter. This will also confirm that _____ and _____ have each agreed to waive any conflict of interest arising out of, and each have agreed that they will not object to, our representation of each other in the matter described herein.

It is further understood and agreed that we may freely convey necessary information provided to us by one client to the other, and that there will be no secrets as between _____ and _____ unless both of you expressly agree to the contrary.

Please understand, while we do not anticipate a situation will arise where there will be a conflict of interest, in an effort to exercise the utmost caution, we are requesting that each of you sign this waiver acknowledging the terms of our representation. In addition, should a conflict of interest arise, we will discontinue our representation of all parties herein identified.

If you need to edit the terms of this letter or wish to discuss any related issues, please contact us at your earliest convenience. However, if you agree that the foregoing accurately reflects our understanding, please sign and date below where indicated, and return this form to our office.

Should you have any questions, please feel free to give us a call.

Very truly yours,

LAW PRACTICE, LTD.

Ann E. Kolber, Esq
